

COVID-19 FACT SHEET

Centacare Evolve Housing is committed to continuing our operations as best we can during the response to COVID-19 Coronavirus. The health and wellbeing of tenants, our staff, maintenance subcontractors and the community, are our first priority. This fact sheet outlines how we are doing this.

If you need more information please call us on 03 6173 0060, email centacareevolve@aohtas.org.au and follow our Facebook Centacare Evolve Housing.

Is the Bridgewater office open?

Yes. Until we receive further advice from health or other authorities, the Bridgewater office is open Monday to Friday between 9am and 4:45pm. Before visiting please follow public health advice. If you are not feeling well, stay home. We should be able to help you over the phone or email.

Will my rent increase?

Your rent will not be increased during the COVID-19 crisis.

What do I need to do if my circumstances change?

If you have any concerns about how any changes to your household circumstances during this time might affect your tenancy or rent do not hesitate to call and speak to a tenancy officer.

Maintenance

What do I do if I need something fixed?

You can report your maintenance request by phone, email or website. We will prioritise urgent maintenance requests until further notice, so it might take a little longer to get some things looked at or fixed.

What is an urgent maintenance request?

Urgent maintenance requests include electrics, security, water, sewerage and heating. We will prioritise providing a response to fixing essential maintenance services. Examples of urgent maintenance requests include no hot water or a leaking hot water service, problems with front or back door locks and blocked toilets. If in doubt please contact the office.

Community minded, Community driven

centacareevolve @centacareevolve

What about non-urgent maintenance?

All non-urgent requests for maintenance will be logged and processed as soon as we can. This will depend on further advice from Government health authorities. Examples of non-urgent requests are dripping taps, problems with internal doors, fences. If in doubt please contact the office.

All upgrades such as kitchens, bathrooms, carpet or painting will be deferred for the time being.

What if I have a request from an Occupational Therapist for modifications?

Your Occupational Therapist needs to provide the referral recommendation to CEH. Our office will be in touch with you and your Occupational Therapist.

Tenancy services

Will my inspection go ahead?

We are limiting our visits to people's homes and routine and follow up inspections will be postponed. Your tenancy officer will be in contact with you to reschedule these inspections.

I need a home, what do I need to do?

To apply for social housing you must have an application with Housing Connect. More information can be found at their website <https://www.colony47.com.au/housing-solutions/housing-connect/>

To apply for affordable housing go to our website and click on the tab affordable housing tab <https://centacareevolve.com.au/>

We are working hard to provide houses as they become vacant and we are prioritising this during this Coronavirus response.

What is happening with the new houses CEH is building?

Construction of new houses is continuing. Contractors are using additional precautions. New homes will be allocated as they become ready to tenant.

Other support services

CatholicCare Emergency Relief and Counselling services will continue to be available at the Bridgewater office unless otherwise notified. Appointments can be made by calling CatholicCare on (03) 6278 1660 and more information can be found at <https://www.catholicaretas.org.au/>
